Gwinnett Tech to open International Education Center at Gwinnett Place

BY STAFF

WINNETT COUNTY - Gwinnett Technical College will introduce its new International Education Center at Gwinnett Place Mall to community, business and civic leaders with a ribbon cutting and open house on Monday, Sept. 29, from 3-5 p.m.

The center will host a number of the college's continuing education classes, including language offerings and workforce training courses that support area businesses and meet the needs of Gwinnett's multi-lingual population. A full-slate of English as a Second Language (ESL) classes will begin at the center on Oct. 6, with several computer, construction and business training courses also scheduled to start early this fall.

The International Education Center occupies just over 32,600 square feet on two levels, with 23 classrooms. The center includes testing facilities to support language classes and a Recruitment and Information Center for Gwinnett Tech.
