DULUTH -- The Gwinnett Place Community Improvement District (GPCID) will meet at the Atlanta Marriott Gwinnett Place on Wednesday, March 9th at 9AM.

The topics to be discussed at this meeting include: an update on the 10-year plan for ARC's Livable Centers Initiative (LCI).

The GPCID is an organization that aims to "sustain the district as a place in which businesses flourish through coordinated planning and shared responsibility and provide an area that is competitive, secure, and attractive to businesses".
