The Gwinnett Place CID has increased its security presence during the holidays. Privately contracted, uniformed public safety officers will be on patrol throughout greater Gwinnett Place to provide non-emergency help and extra monitoring.

Patrols will take place using special vehicles bearing CID-related markings. The extra patrols come in addition to Gwinnett County Police and the daily ride-throughs the CID has historically conducted using its own community vehicle.

The CID's Board of directors initiated the security efforts as a preventative measure for shoppers and businesses during the holiday shopping season.
