Gwinnett Place CID increases holiday season security patrols

The Gwinnett Place Community Improvement District (CID) is again increasing the public safety presence throughout greater Gwinnett Place in time for the busy holiday shopping season.

Extra private security professionals contracted by the CID will expand upon the current seven-day patrols. The added measures will continue for a six-week period accounting for the balance of 2012.

Uniformed professional public safety personnel from Norcross-based Specialized Intelligence and Security Inc. will monitor retail centers, high-traffic areas and other Gwinnett Place area businesses, according to CID Executive Director Joe Allen.

“Because Gwinnett’s central business district at Gwinnett Place is a one-stop-destination for shoppers looking for a great mixture of quality retail, entertainment and dining experiences, we draw many families from across Metro Atlanta during the holiday season,” Allen says. “We have received very positive feedback from shoppers and businesses with the added security presence in the past. We are continuing these efforts to ensure that Gwinnett Place is a fun, exciting and safe destination for everyone this season.”
