

Gwinnett Place: Land of OZ

450 new jobs were created in the Gwinnett Place Opportunity Zone (OZ) in 2014, says CID executive director **Joe Allen**. Within the zone, Luckie & Co, an advertising and marketing firm, moved to a **10k SF facility at 3100 Breckinridge Blvd**, growing its staff from seven to 50 employees (here's their ribbon-cutting ceremony). At the same address is Clearleap, a provider of multi-screen video logistics for the broadcasting and pay-TV industry, **doubling its space** from its original home on Premiere Parkway. In addition, Joe says that TravelSky, a leading IT solutions developer for the airline and tourism industries, will house its U.S. Development Center in the Gwinnett Commerce Center, **creating 30 to 50 new jobs** and representing a **\$10M investment in the community**.
