Gwinnett Place CID Welcomes New Georgia State Patrol Office To District

GPCID offers "Tremendous Thank You To Gwinnett County Commissioners"

(Duluth)— The Board of Commissioners on Tuesday approved a lease agreement with R.W. Management for a new Georgia State Patrol post in Gwinnett. The post will be located in a portion of the old Edwin Watts Golf Shop at 1645 Pleasant Hill Road in Duluth.

The \$31,000 lease was approved for one year with two one-year renewal options; a permanent facility will be considered in the future. Funding for the post will be paid from the Gwinnett County Police Department's special justice fund, which receives revenue from confiscated assets and the sale of property associated with illegal drug and narcotics activity.

"The new state patrol post will be a great benefit to our residents," said Board Chairman Charlotte Nash. "We are thankful for the partnership with the Sheriff and Police departments, the Georgia Department of Transportation and the Georgia State Patrol to provide additional resources in the county."

Georgia State Patrol announced last November that 35 troopers would be assigned to the I-85 corridor in Gwinnett to respond to incidents in an effort to improve the flow of traffic along the interstate. Funding for the officers is being provided by the Georgia Department of Transportation. "The increased presence of our patrol officers along with the new post will help alleviate traffic backups on this heavily traveled roadway," said Maj. Hank Fielding of the Georgia State Patrol.

"This is a major public safety addition to our community," said Leo Wiener, Chairman of the Gwinnett Place Community Improvement District (CID) Board of Directors. "The entire business community will benefit as more law enforcement resources are brought to this area."

“The Gwinnett Place CID is deeply grateful to Gwinnett County and the Georgia State Patrol for this significant and continuing commitment to the Gwinnett Place area,” said Joe Allen, GPCID Executive Director. “We are very happy and welcome the officers of the Georgia State Patrol to Gwinnett’s central business district. The troopers’ presence will go a long way in combating the crime perception and be seen as a positive investment by the area businesses.”
