## Gwinnett Place gets beautified

Lawrenceville, (May 1, 2007) – “As a result of this agreement, two areas near Gwinnett Place Mall will get landscaping improvements to make the area more attractive for residents, workers and visitors,” according to Gwinnett County Commissioner Lorraine Green. “This is one more example of the positive activities taking place within the Gwinnett Place Community Improvement District.” The work will be undertaken by the Gwinnett Place CID and Gwinnett Clean & Beautiful after the commissioners signed an agreement on Tuesday.

Part of the Take Pride in Gwinnett initiative, landscaping will be installed and maintained on County right-of-way at the northeast corner of Pleasant Hill Road and Venture Drive and at the northwest corner of Satellite Boulevard and Commerce Avenue.

“I’m very pleased to see property owners banding together like this to improve their particular part of the county,” Chairman Charles Bannister said. “Investments like this help revitalize an area and make it more attractive for additional investments that will keep our local economy strong and solid.”
