Gwinnett Place CID completes second phase of streetscaping project

Karen Huppertz - For the AJC

2:27 p.m Wednesday, July 19, 2017 Filed in Metro Atlanta / State news

Gwinnett Place Community Improvement District launches 2017 district boundary expansion campaign. Courtesy Gwinnett Place CID

The Gwinnett Place Community Improvement District has completed phase two of its Satellite Boulevard streetscape project along both sides of Satellite Boulevard from Pleasant Hill Road to Old Norcross Road.

The enhancements feature a combination of new brick lined and concrete sidewalks, brick paver crosswalks, striping, landscaping, pedestrian plazas, benches, trash receptacles, ADA ramps for accessibility, concrete curbs and gutters, concrete header curbs, conduit for future pedestrian light poles, reconstructed retaining walls, enhancement of existing retaining walls with stone veneer, and new barrier railings.

The project ties into an earlier streetscape enhancement project along Satellite Boulevard from Tandy Key Lane to Old Norcross Road and to existing streetscapes along Pleasant Hill Road. A Transportation Enhancement grant secured by the CID, along with CID funds paid for the project.
