

Know What's Going On Outside Your Front Door

NEW SIDEWALKS

- **WHAT:** New Sidewalks
- **WHERE:** Koger Boulevard, Pineland Road, and portions of Steve Reynolds Boulevard, Old Norcross Road, Sweetwater Road and Venture Drive. All work will be accomplished within the public right of way. Please remove any items (sprinkler systems, fence, landscaping items, etc.) that may be located in the work area.
- **WHEN:** Now thru September
- **WHO:** Contact the Gwinnett Place CID at 678-924-8171 for more information

NEW IMPROVED LOOK FOR PLEASANT HILL ROAD AND SATELLITE BOULEVARD

- **WHAT:** Pedestrian Safety Improvement Project... Look for benches, trashcans, brick pavers and landscaping to accompany new sidewalks.
- **WHERE:** Pleasant Hill Road (Venture Drive to Satellite Boulevard and Breckinridge Boulevard to Club Drive) and Satellite Boulevard (Tandy Key Lane to the Gwinnett County Transit Center). All work will be accomplished within the right of way or acquired easements. Please remove any items (sprinkler systems, fence, landscaping items, etc.) that may be located in the work area.
- **WHEN:** Now thru October
- **WHO:** Contact Project Engineer Mike Nollen of Moreland Altobelli Associates at 678-728-9050 with any questions.

DIVERGING DIAMOND INTERCHANGE (DDI)

- **WHAT:** Convert the existing Pleasant Hill Road at I-85 conventional diamond interchange to a Diverging Diamond Interchange (DDI) and for pedestrian improvements near the bridge.
- **WHERE:** Pleasant Hill Road at I-85 from Venture Parkway to Breckinridge Boulevard
- **WHEN:** Construction begins summer 2012. Learn more about the traffic flow benefits of the DDI by scanning the QR Code at left.
- **WHO:** Contact the Gwinnett Place CID at 678-924-8171 or Gwinnett County DOT at 770-822-7400.
