## Ribbon Cutting Set For Commerce Avenue Gateway

*CID, with Gwinnett County support, opens gateway monument and pocket park*

DULUTH (January 18, 2007) - The Gwinnett Place Community Improvement District (CID) will mark the grand opening of the area's first gateway monument and pocket park next week.

A ribbon cutting ceremony is planned for 10 a.m. on Monday, January 22. The monument/park area is located at the intersection of Commerce Avenue and Satellite Boulevard near the auto dealerships at Gwinnett Place Mall.

The CID has invited the Gwinnett County Board of Commissioners, District stakeholders and others in the community to be part of the special occasion.

This addition to the Commerce Avenue area is the first of its kind for the CID, and other such additions are planned for the future. The park and monument are also part of the overall enhancements planned as part of the CID's Satellite Boulevard streetscapes beautification effort.

In the event of inclement weather, a re-schedule date will be announced prior to Monday, January 22.

For more information, please contact CID Executive Director Joe Allen at 678-924-8171.
